Dear Mr. Shultz:

Thank you from the bottom of my heart for your honoring my brother Raoul in your statement at the opening of the Stockholm Conference, and also for your bringing up Raoul's case in your discussions with Mr. Gromyko.

The American involvement has an enormous impact and is of immense importance to people all over the world engaged in the struggle for Raoul's release. If only the united efforts could convince the Soviet authorities to change their attitude.

On behalf of my brother Guy von Dardel and the Swedish Raoul Wallenberg-Association, I convey to you my deepest gratitude.

With warmest regards,

*Nina Lagergren*
